

***Dale Scholer is
getting a kidney
transplant !!!***

Following surgery,
Dale will be on
immune-suppression
drugs to prevent
kidney rejection. He
can't be around
people and will be out
of work for quite a
while. And he was
turned down for short-
term disability...

(Insert cavalry coming
over the hill here...)

Benefit for Dale Scholer !!!

***Friday, July 3 - 3pm-8pm @ Tina's
It's a holiday & the parking meters are free !!!***

And why is Dale smiling so much?.....

Could it possibly be Melissa, the absolutely beautiful woman he has his arm around?

Or that he and the woman are at The Masters ? (notice the Monday practice round badge...)

Anything's possible, but there might be a
little more to it than that..

Please help keep Dale Scholer smiling by
joining us at Tina's on Friday, July 3, 3p-8p
